

Minutes of Lafayette High School Football Boosters

February 10, 2011

Our new Booster Club President, Jerry Hack, called the meeting to order

He told us he was new Booster President and which was followed by applause.

Jerry Hack

Guy Franklin and Mike Lincavage would not be at tonight's meeting and that Alicia Smith was on her way and that I (Marguerite Walker) was here as Secretary taking down the minutes.

The most important thing this year is to RECRUIT MORE PARENTS!!! GOT TO GET FOLKS INVOLVED! WE NEED YOUR HELP!!!

Old Trumps on Southland Drive has a nice meeting room to hold our meetings. It is now called Crossroads. It would be a great place to meet, eat, have drinks and talk about the upcoming season.

Gina Clemmons

I move to hold the next meeting at Crossroads on Southland Drive.

Billie Peavler

I second that Motion.

Jerry Hack

I give the floor to Coach Hayden.

Coach Hayden

I have a few things to add to what Jerry said.

We need participation. We have a lot going on this year, camps concessions, IHI Bowl. IHI Bowl has 2 games on Friday and 3 games on Saturday. This will be great for our concessions!

I would like to keep cost of games to \$10. All the Athletic Directors might agree on \$10 instead of \$15.

We are moving in the right direction. We are going to need to spend a lot of money for the kids.

Lots of fundraising will need to be done! We have got to get parents HERE!

We need to purchase new, safer helmets, new shoulder pads! We need new equipment to insure kids' safety. We have to catch up to the 21st century!

We are purchasing endzone cameras that will help us to have better films, better films for prospective college players etc.

We have this new stadium and I would like to decorate it up. I met with a gentleman that does what is called "Stadium Wrapping." Something like "Home of the Generals" different things that would make our stadium very different and professional looking and it would be his first one in the city putting us out front so to speak!

There are senior picture tarps that are 2x4, 4x6 etc. that look really nice. A man came and did a “photo shoot” with a couple of our kids. They looked great! I would like to put a row of seniors up on the wall. It looks great! It would be about \$200 per kid but that price could very well go down considerably.

We are going to have middle schools from all over the state coming in this year. We want things to be top notch. All this will aid us in the direction we are trying to take the program.

Gina Potter

When is the IHI Bowl?

Coach Hayden

It is the second game of the season.

Gina Clemmons

Coach do you have the 2011 schedule?

Coach Hayden

Varsity schedule is ready, Some JV and Freshmen things have changed so they are not ready.

19th is the 1st game at Mason County. 26th is the IHI Bowl.

Mason County

IHI Bowl

Lexington Catholic - Really Big Game

Sherry Potter

Is the Lexington Catholic game was Labor Day weekend?

Coach Hayden

Yes it is

Ticket pricing now is \$6 and \$4. Varsity games should be a flat \$5.

Right now we have two camps, concessions for that will be good. We are also doing our own camps. There could be a 3rd and maybe a 4th camp. These could be nice for us.

One camp is Football University.

Champ Camp is the end of June.

We will also have 7 on 7 and skilled camps.

Jerry Hack

Lots of events scheduled and we are finally getting a chance to get people here to make money.

We need a phone chain to inform folks of what we need them to do. We need to have a BIG meeting at the end of the school year.

Coach Hayden

I have a policy contract I want the parents and players to read and sign.

I also have information for kids from NCAA, colleges etc. requirements of NCAA etc.

I want them to participate in the ACT and ACT Prep

For college they MUST HAVE good GPA and ACT scores!! THEY MUST!

NCAA no longer will accept summer school or computer classes!

Encourage your kids no EBCC or Co-Op. College coaches come during the afternoon and many kids might be gone for these things and miss an opportunity to speak with a coach.

We need parents to be committed to this program. Parents MUST take part in this program for it to be successful.

JERRY HACK

We have got to get more folks here to meeting and get them involved. We need to use the word NEED because our program does NEED them.

Maybe we should do a competition for who sells the most! Gift certificates or whatever for the winner!

We need email addresses etc.

Coach Hayden

At Spring ball we can require registration. Register and sign their kids up.

We need to let folks know what we need from them! What positions we have for them i.e. treasurer, fundraising coordinator etc.

Freshmen orientation can give us a way to let people know we NEED them.

Marguerite Walker

We need the kids to sign up to work concessions. They did a great job and seemed to enjoy it. We might ask Connie Johns about handling the concessions. She has experience from helping Stephanie.

Sherry Potter

I think we need to begin our fundraising with cookie dough! It is a great money maker and we need money makers.

Jerry Hack

Do we need to meet every week or every two weeks?

Alicia Smith

Every week

Marguerite Walker

I move that we have our next meeting next Thursday at Crossroads and I also move that we adjourn this meeting.

Both Motions seconded by Billie Peavler.

Meeting Adjourned
